VICTORY FOR ROSS HEIRS?

Pittsburgh, Pa., Sept. 22.—After a long fight which they assert is now virtually won, a half score Pittsburgh, Greensburg and Newcastle, Pa., and Brooklyn, N. Y., persons, claiming descent from Betsy Ross, who made first American flag, will formally present claims of ownership to the properties occupied by the U. S. mint, the John Wanamaker establishment and the Reading Railroad Co. Philadelphia attorneys are said to have found clear title for the claimant heirs to all the property involved.

COAL MINE TIE-UP TUESDAY?

Trinidad, Col., Sept. 22.—International Vice-Pres. Hayes of the United Miners says there will be a complete tie-up of coal mines all over Colorado tomorrow. The operators have made no move toward granting the demands of the miners and both sides are prepared for war. There are 13,980 coal miners employed in Colorado, and Hayes asserts that fully 90 per cent will obey the strike order. Several hundred guards have been imported by the mine owners.

I. W. W. TO HAVE PAPER

The Industrial Workers of the World propose to start a daily newspaper to propogate the theories for which the organization stands.

The press committee has been chosen to present the proposition to the rank and file. If the plan goes through the place of publication will be Cleveland, O.

Aerial Conductor—What do you want?

Passenger—I want the earth.
